The Commission shall conduct an examination and audit of the convention committee no later than December 31 of the calendar year of the convention and may at any time conduct other examinations and audits as it deems necessary. The Commission will follow the same procedures during the audit, and will afford the committee the same right to respond, as are provided for audits of publicly funded candidates under 11 CFR 9007.1 and 9038.1.

§ 9008.12 Repayments.

(a) *General.* (1) A national committee that has received payments from the Fund under 11 CFR part 9008 shall pay the United States Treasury any amounts which the Commission determines to be repayable under this section. In making repayment determinations under this section, the Commission may utilize information obtained from audits and examinations conducted pursuant to 11 CFR 9008.11 or otherwise obtained by the Commission in carrying out its responsibilities under this subchapter.

(2) The Commission will notify the committee of any repayment determinations made under this section as soon as possible, but not later than 3 years after the last day of the Presidential nominating convention. The Commission's issuance of an audit report to the committee will constitute notification for purposes of the three year period.

(3) Once the committee receives notice of the Commission's final repayment determination under this section, the committee should give preference to the repayment over all other outstanding obligations of the committee, except for any federal taxes owed by the committee.

(b) *Bases for repayment.* The Commission may determine that the national committee of a political party that has

received payments from the Fund must repay the United States Treasury under any of the circumstances described below.

(1) *Excess payments.* If the Commission determines that any portion of the payments to the national committee or convention committee under 11 CFR 9008.6(b) was in excess of the aggregate payments to which the national committee was entitled under 11 CFR 9008.4 and 9008.5, it shall so notify the national committee, and the national committee shall pay to the Secretary an amount equal to such portion.

(2) *Excessive expenditures.* If the Commission determines that the national committee or convention committee incurred convention expenses in excess of the limitations under 11 CFR 9008.8(a), it shall notify the national committee of the amount of such excessive expenditures, and the national committee shall pay to the Secretary an amount equal to the amount specified.

(3) *Excessive contributions.* If the Commission determines that the national committee accepted contributions to defray convention expenses which, when added to the amount of payments received, exceeds the expenditure limitation of such party, it shall notify the national committee of the amount of the contributions so accepted, and the national committee shall pay to the Secretary an amount equal to the amount specified.

(4) *Improper usage or documentation.* If the Commission determines that any amount of any payment to the national committee or convention committee under 11 CFR 9008.6(b) was used for any purposes other than the purposes authorized at 11 CFR 9008.7 or was not documented in accordance with 11 CFR 9008.10, it shall notify the national committee of the amount improperly used or documented and the national committee shall pay to the Secretary an amount equal to the amount specified.

(5) *Unspent funds.* (i) If any portion of the payment under 11 CFR 9008.4 remains unspent after all convention expenses have been paid, that portion shall be returned to the Secretary of the Treasury.

§ 9008.15

(ii) The national committee or convention committee shall make an interim repayment of unspent funds based on the financial position of the committee as of the end of the ninth month following the last day of the convention, allowing for a reasonable amount as determined by the Commission to be withheld for unanticipated contingencies. The interim repayment shall be made no later than 30 calendar days after the end of the ninth month following the last day of the convention. If, after written request by the national committee or convention committee, the Commission determines, upon review of evidence presented by either committee, that amounts previously refunded are needed to defray convention expenses, the Commission shall certify such amount for payment.

(iii) All unspent funds shall be repaid to the U.S. Treasury no later than 24 months after the last day of the convention, unless the national committee has been granted an extension of time. The Commission may grant any extension of time it deems appropriate upon request of the national committee.

(6) *Income on investments of payments from the Fund.* If the Commission determines that the national committee or the convention committee received any income as a result of investment or other use of payments from the Fund pursuant to 11 CFR 9008.7(a)(5), it shall so notify the committee and the committee shall pay to the United States Treasury an amount equal to the amount determined to be income, less any Federal, State or local taxes on such income.

(7) The Commission may seek repayment, or may initiate an enforcement action, if the convention committee knowingly helps, assists or participates in the making of a convention expenditure by the host committee, government agency or municipal fund that is not in accordance with 11 CFR 9008.52 or 9008.53, or the acceptance of a contribution by the host committee or government agency or municipal fund from an impermissible source.

(c) *Repayment determination procedures.* The Commission will follow the same repayment determination procedures, and the committee has the same

rights and obligations as are provided for repayment determinations involving publicly funded candidates under 11 CFR 9007.2 (c) through (h).

§ 9008.14 Petitions for rehearing; stays of repayment determinations.

Petitions for rehearing following the Commission's repayment determination and requests for stays of repayment determinations will be governed by the procedures set forth at 11 CFR 9007.5 and 9038.5.
